By submitting a bid, bidder agrees to comply with all terms, conditions, and provisions included in the solicitation and agreement to the services identified above, and will specifically identify any disagreement with or exceptions to the terms, conditions, and provisions.
2. IRI may reject any or all bids if such is within IRI’s interest.
3. The Bidder’s initial bid should contain the Bidder’s best offer.
4. IRI reserves the right to make multiple awards or partial awards if, after considering administrative burden, it is in IRI’s best interest to do so.
5. Discussions with Bidders following the receipt of a bid do not constitute a rejection or counteroffer by IRI.
6. IRI will hold all submissions as confidential and shall not be disclosed to third parties. IRI reserves the right to share bids internally, across divisions, for the purposes of evaluating the bids.
7. By submitting a bid, Bidder agrees to comply with all terms, conditions, and provisions included in the solicitation and agreement to the services identified above, and will specifically identify any disagreement with or exceptions to the terms, conditions, and provisions.
8. Bidders confirm that the prices in the bid/proposal/application/quote have been arrived at independently, without any consultation, communication, or agreement with any other bidder or competitor for the purpose of restricting competition.
9. Bidders agree to disclose as part of the bid submission:
 - a. Any close, familial, or financial relationships with IRI staff and agents. For example, the bidder must disclose if a bidder’s mother conducts volunteer trainings for IRI.

IRI may but is not obligated to conduct additional negotiations with the most highly rated Bidders prior to award of a contract, and may at its sole discretion elect to issue contracts to one or more Bidders.
2. Mathematical errors will be corrected in the following manner: If a discrepancy exists between the total price proposed and the total price resulting from multiplying the unit price by the corresponding amounts, then the unit price will prevail and the total price will be corrected. If there were a discrepancy between the numbers written out

in words and the amounts in numbers, then the amount expressed in words will prevail. If the Bidder does not accept the correction, the offer will be rejected.

3. IRI may determine that a bid is unacceptable if the prices proposed are materially unbalanced between line items or sub-line items. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated as indicated by the application of cost or price analysis techniques. A bid may be rejected if IRI determines that the lack of balance poses an unacceptable risk.

IRI will conduct a source selection based as follows:

IRI intends to make an award to the responsible Bidder based on the following evaluation factors:

Past Performance and years of experience: 50%

Price: 40%

Quality of provided equipment: 10%

IRI intends to evaluate bids in accordance with these factors and make an award to the responsible bidder whose proposal is most advantageous to the program.

4. If a cost realism analysis is performed, cost realism may be considered in evaluating performance or price.

Submission Instructions:

Bids must be submitted via email to Julie Guillaume, at jguillaume@iri.org with the subject line "AFRICA2015010".

IRI Obligations

Issuance of this IFB does not constitute an award commitment on the part of IRI, nor does it commit IRI to pay for costs incurred in the preparation and submission of a quotation.
