Background

The International Republican Institute (IRI) is a nonprofit, nonpartisan, organization dedicated to advancing freedom and democracy worldwide. Since 1983, IRI has worked to develop democratic institutions and ideals, carrying out a variety of international programs to promote freedom, self-government and the rule of law worldwide. IRI provides technical assistance in the areas of political party strengthening, developing civic institutions and open elections, promoting democratic governance and advancing the rule of law.

IRI is in the process of establishing an office in Algiers and registering according to relevant Algerian laws. This requires IRI to have an attorney in country who can interact with government officials and local representatives. Additionally, the Algeria program foresees the future need to employ Algerians as local staff and enter into contracts with local companies and vendors for delivery of goods and services. IRI is looking for a qualified legal service provider to assist with these, and other, tasks, as well as providing general counsel on an as-needed basis regarding other potential legal considerations of IRI programming.

Period of Performance

Date of signature through February 28, 2021, with the option to extend for a total duration of up to 3 years up in two one-year increments.

- Local labor laws and regulations;
- Immigration, foreign national work permits and visas;
- International non-governmental organization regulations, registration, compliance, filings and host-government relations;
- Contractual matters for consultants, labor, vendors, and service providers for compliance with Algerian laws and regulations;

- Providing documentary evidence of counsel, services provided, or in support of IRI activities, and
- Representation in litigation.

Contractor should be able to respond to IRI's inquiries and requests satisfactorily within a reasonable time and be able to provide estimations of the level of effort (in terms of hours) required to complete a specific project. If available, please include standard estimations alongside the requested services.

IRI policy does not allow for legal services to be rendered through a retainer payment. (Instead) Contractor will charge a flat fee for agreed work based on the value of the subject matter. Additionally, firms can provide an hourly rate per level of legal expertise for any staff that may work on or process IRI requests. No other expenses and disbursements shall be charged to IRI.

Evaluation and Award Process

1. IRI may contact any Bidder for clarification or additional information, but Bidders are advised that IRI intends to evaluate the offers based on the written proposals, without discussions, and reserves the right to make decisions based solely on the information provided with the initial proposals. IRI may but is not obligated to conduct additional negotiations with the most highly rated Bidders prior to award of a contract, and may at its sole discretion elect to issue contracts to one or more Bidders.
2. Mathematical errors will be corrected in the following manner: If a discrepancy exists between the total price proposed and the total price resulting from multiplying the unit price by the corresponding amounts, then the unit price will prevail and the total price will be corrected. If there is a discrepancy between the numbers written out in words and the amounts in numbers, then the amount expressed in words will prevail. If the Bidder does not accept the correction, the offer will be rejected.
3. IRI may determine that a proposal is unacceptable if the prices proposed are materially unbalanced between line items or sub-line items. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated as indicated by the application of cost or price analysis techniques. A proposal may be rejected if IRI determines that the lack of balance poses an unacceptable risk.
4. [If best value]

IRI intends to make an award to the responsible Bidder based on the following evaluation factors:

- a) **Technical evaluation, (including technical capabilities, proposed technical approach, and personnel qualifications) – 50 percent**
 - *Knowledge and experience with local labor law, taxes and regulations clearly stated- 10 percent*
 - *Knowledge and experience with international non-governmental regulations clearly stated - 10 Percent*
 - *Knowledge and experience on contractual matters for consultants, labor, vendors, and service providers for compliance with Algerian laws and regulations clearly stated - 10 percent*

- *Provides relevant certifications stating legal ability to operate in the People's Democratic Republic of Algeria. – 10 percent*
- *Provides the resumes of relevant personnel who will be billing to the contract – 10 percent*
- b) **Past performance and experience in performing similar projects (based on provided references) – 20 percent**
 - *At least three references of clients who have required work in similar scope listed*
- e) **Price – 30 percent**

IRI intends to evaluate Bidders' proposals in accordance with these factors and make an award to the responsible Bidder whose proposal is most advantageous to the program.

5. If a cost realism analysis is performed, cost realism may be considered in evaluating performance or price.
