### Background

The International Republican Institute (IRI) is a nonprofit, nonpartisan, organization dedicated to advancing freedom and democracy worldwide. Since 1983, IRI has worked to develop democratic institutions and ideals, carrying out a variety of international programs to promote freedom, self-government and the rule of law worldwide. IRI provides technical assistance in the areas of political party strengthening, developing civic institutions and open elections, promoting democratic governance and advancing the rule of law.

IRI is looking for a program and logistics coordinator located in Tallin, Estonia to support a three-day technical seminar on creating and strengthening e-government initiatives. IRI is looking for an organization with proven experience hosting large international groups, including arranging logistical arrangements within Tallinn; has knowledge of Estonia's e-government initiatives and connections with relevant e-government actors in Tallinn in order to shape the program agenda.

As e-Government and ICT systems have been identified as solutions to demands for increased transparency and accountability in government actions and service delivery, IRI intends to host a conference in Tallinn, Estonia for partners from Colombia, Mongolia, Moldova, and the United States focusing on e-Government and legislative initiatives designed to develop a strong and advanced e-government architecture while still maintaining a secure digital service. The conference will spend time exploring how to enhance both legislative technology and cybersecurity.

IRI has decided to host this workshop in Estonia, a country which exhibits best practices with regards to democratic development and strengthening democratic institutions, and international expertise as a leader in innovative e-government initiatives.

IRI is looking for an organization that can illustrate how the Estonian Government is dedicatedly working towards advanced implementation of technology and cybersecurity in the legislature and how legislators can use these initiatives to write adequate legislation and

avoid unintended consequences of advancement. The seminar will be approximately three days in length.

### **Period of Performance**

In January 2023 for three days

### **Statement of Work**

Bidder will provide services to facilitate an IRI HDP Regional Conference to be held in Winter 2023 in Tallinn, Estonia. The Regional Conference will bring participants, from Colombia, Mongolia, Moldova, and the United States to participate in a three-day program with intensive practical and technical training on topics focusing on e-Government and ICT systems as solutions to enhance cybersecurity and technology in the legislature. The program will contain a technical component characterized by seminars and workshops on key subjects as well as a practical component to include meetings and roundtable discussions with political and governmental actors and site visits.

The Contractor will provide the following services to IRI:

### **Technical Component**

1. Design technical curriculum following IRI specifications;
  - Conference must be in English
  - Conference will be carried out by specialized instructors to convey a mixture of theoretical, historical and political perspectives for each subject – IRI reserves the right to suggest and include U.S. congressional experts in the agenda
  - Conference should be structured to include panels, group discussions, and peer-to-peer exchange of best practice through country presentations, activities and interactive strategic planning sessions.
2. Identify experts, Estonian MPs, parliamentary staff to conducting trainings
3. Implementation of technical component – including arranging and confirming meetings/presentations/trainings

### **Practical Component**

1. Design practical activities following IRI specifications;
  - Must include meetings, discussion groups and site visits that further participants' understanding and familiarity with subjects and themes covered during technical component
2. Schedule and manage logistics for meetings, site visits and other activities

### **General/Administrative**

1. Arranging lodging for the entire delegation
2. Provide all local transportation (airport pick-up and drop-off, daily transportation to conference, meetings and site visits)
3. Provide breakfast and lunch to all participants, interpreters and IRI staff in attendance
4. Host welcome dinner and farewell dinners with all program participants
5. Serving as the official workshop co-host, greeting workshop participants at the training venue, facilitating the arrival and departure of workshop participants and

troubleshooting any logistical issues that may arise at the training venue such as catered meals, conference space and equipment and ground transportation, in consultation with IRI lead staff.

**Important to highlight: the Contractor is NOT responsible for international airfare.**

**Technical Proposals**

All proposals submitted to IRI must include:

1. Information addressing Bidder’s experience in providing each of the services identified in the above Statement of Work and Bidder’s proposed specific approach for providing those services to IRI under this contract, including sufficient information to determine a clear definition of services as it relates to other providers that may be involved.
2. The name, address, and telephone and facsimile numbers of the Bidder (and electronic address if available). If the Bidder is a firm, name(s) should be provided for individuals authorized to conduct business on behalf of the firm.
3. Bidders may provide a list of up to three references for work performed of a similar nature during the last three years, along with contact details. IRI may contact the references to evaluate past performance.
4. If the Bidder is a U.S. organization/resident, or a foreign organization/resident which has income effectively connected with the conduct of activities in the U.S. or has an office or a place of business or a fiscal paying agent in the U.S., the information submitted must contain Bidder’s Taxpayer Identification Number.
5. Proposals will not exceed 15 pages (not including cover page).
6. Proposal Must contain:
  - Full description of lodging accommodations and conference spaces available, preferably with photos or links to website with photos
  - Proposed agenda
  - Proposed technical experts and CVs
  - Proposed budget including lodging and meal costs

**Price Proposals**

Bidders must propose a firm-fixed Unit Price for each of the deliverables identified below and in the format of the table below. The Bidder’s pricing must be valid for at least 60 (sixty) calendar days after the due date for proposal submission. The proposed Unit Price should be fixed and inclusive of all costs to perform, including inspection services, transportation, taxes, import duties (if any), and other levies. To the extent that a Bidder proposed to include any pricing not reflected in the table below, such pricing must be fully described in the proposal. Proposals must be submitted in USD, payments under any resulting contract will be made in this currency.

### Evaluation and Award Process

1. IRI may contact any Bidder for clarification or additional information, but Bidders are advised that IRI intends to evaluate the offers based on the written proposals, without discussions, and reserves the right to make decisions based solely on the information provided with the initial proposals. IRI may but is not obligated to conduct additional negotiations with the most highly rated Bidders prior to award of a contract, and may at its sole discretion elect to issue contracts to one or more Bidders.
2. Mathematical errors will be corrected in the following manner: If a discrepancy exists between the total price proposed and the total price resulting from multiplying the unit price by the corresponding amounts, then the unit price will prevail and the total price will be corrected. If there is a discrepancy between the numbers written out in words and the amounts in numbers, then the amount expressed in words will prevail. If the Bidder does not accept the correction, the offer will be rejected.
3. IRI may determine that a proposal is unacceptable if the prices proposed are materially unbalanced between line items or sub-line items. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated as indicated by the application of cost or price analysis techniques. A proposal may be rejected if IRI determines that the lack of balance poses an unacceptable risk.
4. IRI will conduct a source selection based as follows:  
IRI intends to make an award to the responsible Bidder based on the following evaluation factors:
  - a) **Technical evaluation, (including technical capabilities, proposed technical approach, and personnel qualifications) – 30 percent**
    - Relevance and rigor of proposed agenda- 10 percent
    - Professional quality of proposed agenda-10 percent
    - Professional quality of technical experts-5percent
    - Quality and reach of organizations' e-government- 5 percent
  - b) **Past experience in performing similar projects – 20percent**
  - c) **Price – 50 percent**
    - Applicant demonstrates the ability to implement the scope of work at a reasonable and competitive price-20 percent
    - Budgeted meals and lodging are within US per diem rates-20 percent
    - Proposal provides clear and adequate justification for cost estimate-10 percent

IRI intends to evaluate Bidders' proposals in accordance with these factors and make an award to the responsible Bidder whose proposal is most advantageous to the program.

5. If a cost realism analysis is performed, cost realism may be considered in evaluating performance or price.

### **Submission Instructions**

Bids must be submitted via email to **Jenna Ruffoni**, [jruffoni@iri.org](mailto:jruffoni@iri.org) with the subject line **"GOV2022HDP04o-E-Governance workshop -Estonia "** by the deadline listed above.

### **RFP Terms and Conditions**

1. Prospective Bidders are requested to review clauses incorporated by reference in the section "Notice Listing Contract Clauses Incorporated by Reference".
2. IRI may reject any or all proposals if such is within IRI's interest.
3. Proof of costs incurred, such as but not limited to receipts, pictures and financial documents, may be requested during and for up to three years after the end of the contract period.
4. The Bidder's initial proposal should contain the Bidder's best offer.
5. Payment will be made upon receipt of invoices and deliverables/services.
6. Discussions with Bidders following the receipt of a proposal do not constitute a rejection or counteroffer by IRI.
7. IRI will hold all submissions as confidential and submissions shall not be disclosed to third parties. IRI reserves the right to share proposals internally, across divisions, for the purposes of evaluating the proposals.
8. For any currency conversion, the exchange rate to US Dollars listed on oanda.com on the closing date of this solicitation shall be used.
9. Every contract will contain provisions governing termination for cause and termination for convenience.
10. By submitting a proposal, offeror agrees to comply with all terms, conditions, and provisions included in the solicitation and agreement to the services identified above, and will specifically identify any disagreement with or exceptions to the terms, conditions, and provisions.
11. Offerors confirm that the prices in the proposal/proposal/application/quote have been arrived at independently, without any consultation, communication, or agreement with any other Bidder or competitor for the purpose of restricting competition.
12. By applying to this RFP, applicant is certifying that if it is awarded a contract, none of funds payable under the resulting contract will be used to (1) procure or obtain, extend or renew a contract to procure or obtain; (2) enter into a contract (or extend or renew a contract) to procure; or (3) obtain the equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system in compliance with the National Defense Authorization Act. Covered telecommunications equipment and services mean any of the following:
  - i. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

- ii. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).
  - iii. Telecommunications or video surveillance services provided by such entities or using such equipment.
  - iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. ([2 CFR 200.216](#)).
13. Bidders agree to disclose as part of the proposal submission:
- Any close, familial, or financial relationships with IRI staff and agents. For example, the Bidder must disclose if a Bidder's mother conducts volunteer trainings for IRI.
  - Any family or financial relationship with other Bidders submitting proposals. For example, if the Bidder's father owns a company that is submitting another proposal, the Bidder must state this.
  - Any other action that might be interpreted as potential conflict of interest.

### **Notice Listing Contract Clauses Incorporated by Reference**

IRI is required to make the contractor subject to certain flowdown clauses of the prime award. This awarded contract will incorporate one or more clauses by reference, with the same force and effect as if they were given in full text. Where "flow-down" to the contractor is applicable, references to "USAID/Department of State" shall be interpreted to mean "IRI", "Recipient" to mean "Contractor", and "Subrecipient" to mean "lower-tier subcontractor." Included by reference are the applicable provisions contained in Appendix II to 2 CFR Part 200 and USAID Standard Provisions for Non-US Non-governmental Organizations/US Department of State Standard Terms and Conditions.

### **IRI Obligations**

Issuance of this RFP does not constitute an award commitment on the part of IRI, nor does it commit IRI to pay for costs incurred in the preparation and submission of a proposal or quotation.

### **Required Certifications**

The following certificates need to be signed by all Bidders. These certifications are an integral part of the quotation/proposal. Please print them off and send back to us with your proposal after signature on each certificate. They are:

- Certification regarding debarment, suspension, ineligibility and voluntary exclusion lower tier covered transactions
- Authorized Individuals

## **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION LOWER TIER COVERED TRANSACTIONS**

This certification implements Executive Order 12549, Debarment and Suspension and the requirements set forth in 2.C.F.R. 180, Subpart C.”

Copies of the regulations may be obtained by contacting the person to which this proposal is submitted.

1. By signing and submitting this proposal/application/quote, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal/application/quote is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549.
5. The prospective lower tier participant agrees by submitting this proposal/application/quote that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the IRI.
6. The prospective lower tier participant further agrees by submitting this proposal/application/quote that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 above, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a

person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for disbarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
