The survey was conducted by Rating Group on behalf of the International Research and Exchanges Board (IREX) within UNITY program. Survey data was reviewed and analyzed by the International Republican Institute's Center for Insights in Survey Research (CISR).

This study was made possible by the generous support of the American people through the United States Agency for International Development (USAID). The contents are the responsibility of IRI and do not necessarily reflect the views of IREX, USAID or the United States Government.

The survey was assessed through an expedited research ethics review by HML Institutional Review Board, and a child psychologist was consulted.
