### Background:

The International Republican Institute (IRI) is a nonprofit, nonpartisan, organization dedicated to advancing freedom and democracy worldwide. Since 1983, IRI has worked to develop democratic institutions and ideals, carrying out a variety of international programs to promote freedom, self-government and the rule of law worldwide. IRI provides technical assistance in the areas of political party strengthening, developing civic institutions and open elections, promoting democratic governance and advancing the rule of law.

IRI-Ukraine is seeking to contract with an established expert to assist IRI's potential subawardee, Women's Democracy Network-Ukraine Chapter, by producing organizational strategic recommendations, building an action plan, and connect organizational means with objectives during a strategic planning session for WDN-UA members. The purpose of the strategic session is to conduct an internal audit of the processes and activities of WDN-Ukraine and develop the organization's strategic development plan for 2024-2026 and the targeted action plan for 2024 - 2025.

WDN-UA is part of a global initiative of the International Republican Institute - Women's Democratic Network. It has been operating in Ukraine since 2017 and united more than 500 women-leaders, members of local councils and officials throughout Ukraine to promote the equal rights and opportunities of women and men. Ahead of 2020 local election, WDN-UA conducted a series of webinars to increase the number of women participating in the elections as candidates for local office. Almost one-third of all women candidates participating in the candidate training program were elected to office across Ukraine. In the first months of the Russian full-scale war in Ukraine, WDN-UA, with support from IRI through a USAID/CEPPS subaward, provided support to women councilors and local government officials, volunteers, women IDPs, women with children who have been affected by the war and female relatives and families of soldiers. For six months, WDN-UA worked with volunteers, lawyers and psychologists to connect target audiences with targeted psychological and legal aid across five regions in Ukraine (Mykolaiv, Kharkiv,

Ivano-Frankivsk, Vinnytsia and Volyn) and conducted a total of 1,035 psychological and 447 legal consultations.

**Period of Performance:**

- suggestions of the methods of holding a strategic session (the use of recognized methods or their separate elements, such as "Search for the Future", "Appreciative Inquiry", "Open Space", "World Cafe", etc., along with author's work and classic facilitation techniques, is welcome).
- facilitation and moderation of the strategic planning process of WDN-Ukraine (conducting a session, updating the mission and goals, main areas of activity, analysis of capabilities and risks, methods of achieving goals, discussions about forms of membership in WDN-Ukraine).
- development of a strategic document "Strategy of WDN-Ukraine activities for 2024-2026" and development of an Action Plan 2024-2025 for the implementation of the planned document.
- consulting on organizational development and organizational capacity building, for WDN-UA

The expected result of the strategic session is the development and approval of the WDN-Ukraine Strategy for 2024-2026 and the WDN-Ukraine Action Plan for 2024-2025.
